Dedication

The Class of 1974 would like to show their appreciation to Mr. Arthur Abbott, for all that he has done for us, by dedicating the 1974 Arch yearbook to him.

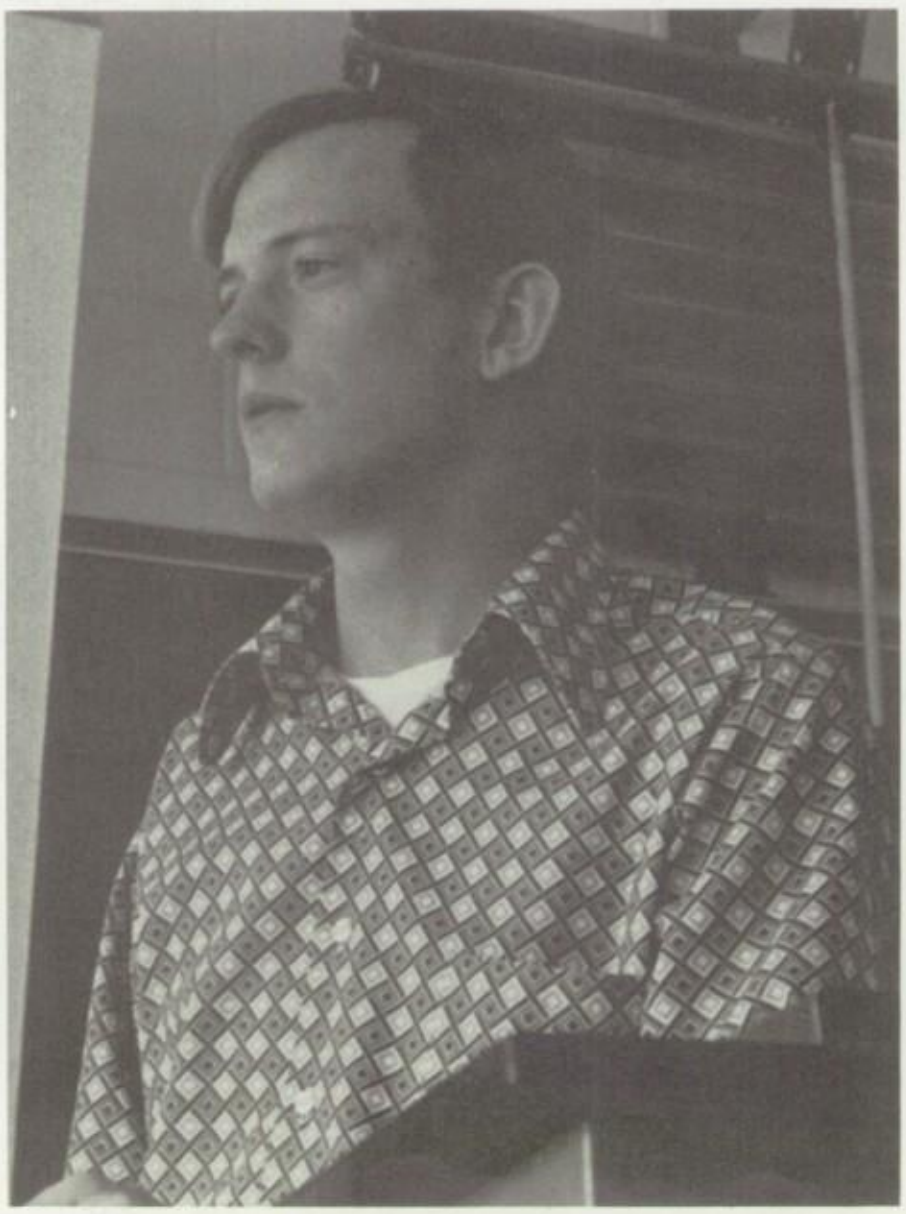
In Memorium Of

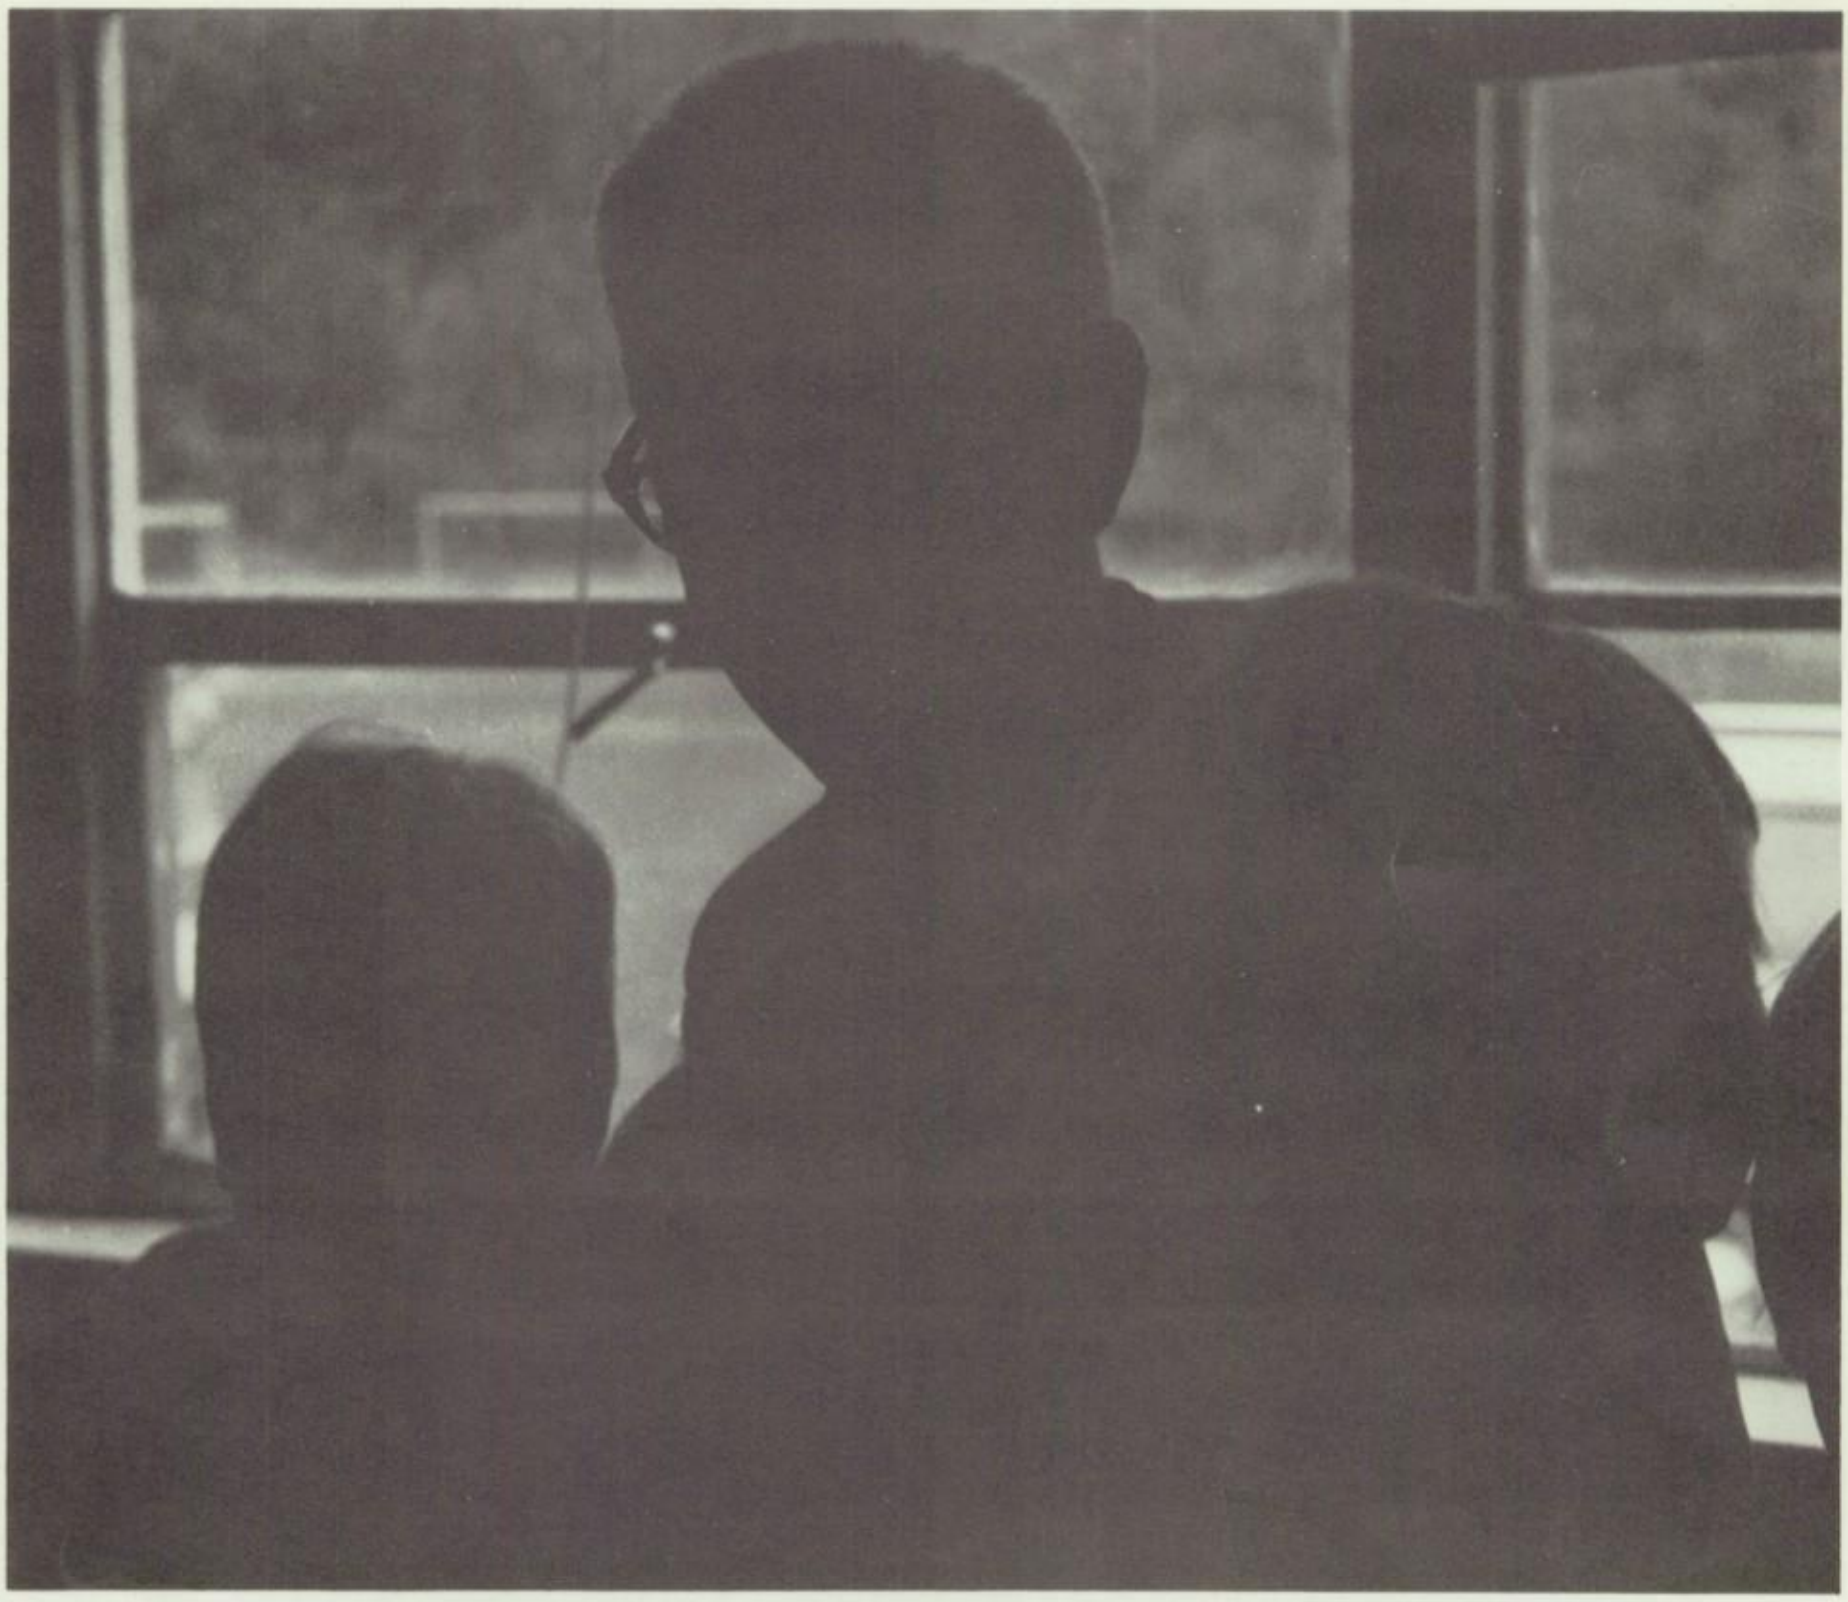
Valerie Carla Brown

March 4, 1956—August 7, 1964

The class of 1974 would like to leave this book in memory of Valerie Brown. Though she is no longer with us, the memory of her will still be in our hearts.

This year's yearbook staff wishes to thank two very special people Mr. Ken Kruger and Mrs. Karen Dorsch who without their help, this yearbook would not be possible.





The class of 1974 would like to take this opportunity to say thank you to our advisor Mr. Abbot. We also like to thank Mrs. Kelly and Mrs. Sands for helping us when we needed help the most.

About Fashions For Men

Fashion is mainly a feeling for looking your best at all times. It's a talent that some men have in bigger measure than others, but all men can cultivate it. It requires some knowledge, some care, some pride, some intuition, some horse sense. Some concern about how you look to others. It can be developed by talking to salesmen, by visiting stores, by looking into showrooms, by questioning tailors, by experimenting with your wardrobe, by shopping, buying, and discarding. By trial and error. But there's an easier way. Expose yourself to a full-length mirror at Decato's of Franklin.
